*Note: If you have property insurance coverage that includes debris removal, you may proceed by contacting your insurance company directly and bypass the County Fire Debris Management Plan. In most cases, your insurance will be able to initiate debris removal services faster than the County. Regardless of which route you take, you will have to provide documentation to the County that the property has been screened for hazardous materials and asbestos as well as documentation of disposal of these materials.*

<p style="text-align: center;"><b>DEBRIS FROM FIRE</b></p> <p style="text-align: center;"><b>Bin Program</b></p> <p>I have debris and/or fire damage on my property from a fire.</p> <p><b>Contact:</b> Steve Rodowick Debris Coordinator <b>Phone:</b> 530.879.2352</p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> Complete Application for *County Fire Debris Assistance Program/ Participation Agreement ("Bin Program")</li> <li><input type="checkbox"/> Order Bins from approved hauling contractors for property</li> <li><input type="checkbox"/> Clean up Property using bins</li> <li><input type="checkbox"/> Notify hauling company when the bin is ready for transport to the landfill</li> <li><input type="checkbox"/> Notify the Debris Coordinator when the fire debris removal is completed</li> <li><input type="checkbox"/> Receive final confirmation/clearance from Landfill</li> </ul>

*\*Note: If you choose to not participate in the County Fire Debris Assistance Program/ Participation Agreement ("Bin Program") and do not want to sign a ROE there is option 2 which allows owner to hire contractor (must be certified) to perform removal of hazardous materials and fire debris and can take advantage of the landfill fee waiver program ONLY. Please refer to Debris Coordinator for all pertinent information.*

Landfill waiver Application

<p style="text-align: center;"><b>REBUILDING AFTER FIRE</b></p> <p>I need electricity, how do I get power? I want to live on my property while I rebuild? I want to rebuild my home, storage shed, barn, deck, etc</p> <p><b>Contact:</b> Jordan DeBrunner <b>Phone:</b> 530.538.7473</p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> Complete application for a Camping (Admin) Permit if you want to stay on property while rebuilding</li> <li><input type="checkbox"/> Complete application for Temp Power Permit when ready for power to property</li> <li><input type="checkbox"/> Complete application for a Building Permit-when ready to submit plan package</li> </ul> <p><i>Note: Fees will be waived for replacement structures that were previously permitted. If insurance covers permitting fees then no waiver applies. Fee waivers under this program will be effective for 24 months from the date of the applicable Locally declared fire disaster.</i></p>
