

CALIFORNIA ASSOCIATION OF ENVIRONMENTAL HEALTH ADMINISTRATORS
Legislative Report: June 6, 2008

Bill	Summary	Latest Action
COMMUNITY EH		
CA AB 1472 Leno (D) SUPPORT – letter 2 YEAR BILL	Public Health: Healthy Places Act of 2008 Establishes the California Healthy Places Act of 2008. Requires various state agencies and departments to collaboratively support childhood development, prevent injury, illness, and chronic disease, ensure environmental health, and reduce health disparities by providing knowledge, guidance and resources for public health assessments of land use and transportation system planning. Provides funding, technical assistance and training to eligible local entities to prepare health impact assessments.	8/20/2007 <ul style="list-style-type: none"> • Held in SEN Appropriations Committee.
CA AB 1860 Huffman (D) SUPPORT	Unsafe Products: Recall or Warning Prohibits a commercial dealer, manufacturer, importer, distributor, wholesaler or retailer from manufacturing, remanufacturing, retrofitting, distributing selling at wholesale or retail, contracting to sell or resell, leasing or subletting or otherwise placing into the stream of commerce, a product that is unsafe, knowing the product is unsafe. Provides recall notification requirements. Requires providing for the safe return of the product to the manufacturer. Provides civil penalties for violations.	5/23/2008 <ul style="list-style-type: none"> • In SEN Judiciary Committee June 24.
CA AB 2115 Mullin (D) DELETE	Childhood Lead Screening Prohibits the governing board of a school district from unconditionally admitting any person who is 6 years of age or younger as a pupil of any private or public elementary or secondary school, child care center, day nursery, nursery school, family day care home, or development center, unless the pupil has a certificate showing that he or she has been evaluated for lead poisoning. Authorizes the adoption of regulations governing a risk assessment and/or blood screening for lead poisoning by a nurse. Charter Schools: Governing Boards Requires charter schools to adopt and comply with a conflict-of-interest policy. Includes, in the criteria that are required to be included in the petition for the establishment of a charter school, an assurance that the charter school will comply with specified requirements relating to the manner in which the school's governing board conducts its meetings.	5/23/2008 <ul style="list-style-type: none"> • In SEN Education Committee.
CA AB 2547 Leno (D) SUPPORT	Oil Spill Prevention and Response Revises the definition of dedicated response resources under the Lempert-Keene Seastrand Oil Spill Prevention and Response Act to provide that, for the port areas of San Francisco, Los Angeles, Long Beach and San Diego, dedicated response resources shall additionally mean equipment and personnel permanently located in each of those areas. Includes as additional elements in rating oil spill response organization for compliance with specified criteria, the dedicated response resources controls.	5/23/2008 <ul style="list-style-type: none"> • Passed ASM. To SEN.
CA AB 2599 De Leon (D) WATCH	Birth Defects Monitoring Program Relates to the Birth Defects Monitoring Program that requires the State Department of Health to charge a fee for prenatal screening to support the pregnancy blood sample storage, testing, and research activities of the programs. Revises prenatal screening fees. Establishes guidelines for invoicing, charging and collecting from approved researchers an amount necessary to cover certain expenses. Deletes certain provisions. Provides for use of fees.	4/22/2008 <ul style="list-style-type: none"> • In SEN Health Committee June 11.
CA AB 2631 Fuller (R) DELETE	Oil Spill Prevention and Response Makes technical, nonsubstantive changes in the Lempert-Keene-Seastrand Oil Spill Prevention and Response Act with respect to certain definitions, and corrects a statutory reference.	Introduced 2/22/2008
CA AB 2935 Huffman (D) WATCH/SUPPORT	Oil Spill Prevention and Response Requires the environmentally and ecologically sensitive element of the State Toxic Spill Contingency Plan to include the identification and prioritization of sensitive areas, a plan for protective actions, the location of emergency response equipment and personnel, and a program for testing strategies in such areas. Requires information on a certain Internet Web site and a related database. Requires the closure of certain waters to the taking of all fish and shellfish. Requires contamination determinations.	5/23/2008 <ul style="list-style-type: none"> • Passed ASM. To SEN.

CA AB 2999 Huffman (D) SUPPORT	Animal Carcasses: Removal From Highways Authorizes the state or local agency having jurisdiction of a highway to remove an accidental take from the highway. Requires the department to establish certain procedures for the removal and disposal of animal carcasses on state highways.	Introduced 2/22/2008 • In SEN Transportation and Housing Committee June 10.
CA SB 356 Negrete McLeod (D) NEUTRAL	List of Reportable Diseases and Conditions Deletes the requirement of the Department of Health to establish a specified list of required reportable disease and conditions by a local health officer. Requires the department to establish a list of reportable disease and conditions for which clinical laboratories are required to submit a culture or specimen to the local and state public health laboratories. Prohibits the imposition of any penalty or other adverse action based upon failure to report under certain conditions.	8/20/2007 • In ASM Inactive File.
CA SB 1122 Correa (D) WATCH	Mobilehome Parks Authorizes the Department of Housing and Community Development to establish an effort to provide a stepped-up level of enforcement to resolve violations that are an imminent threat to health and safety in mobilehome parks within the agency's jurisdiction. Revises the duties of a existing related task force. Allows the department to require a park that is delinquent in the payment of an annual operating permit or that has a suspended permit, to post a bond in an amount equal to the future permit fees.	4/30/2008 • In ASM Housing and Community Development Committee June 18.
CA SB 1206 Calderon R (D) NEUTRAL	Pest Control Relates to regulation of registered structural pest control companies by the Structural Pest Control Board. Authorizes a Branch 2 or Branch 3 registered company to advertise fumigation or any all encompassing treatment if the company complies with specified requirements.	Introduced 2/13/2008 • In ASM Business and Professions Committee June 10.
ENVIRONMENTAL HEALTH IT		
EXECUTIVE COMMITTEE		
CA AB 1605 Lieber (D) WATCH 2 YEAR BILL	State Department of Public Health: Public Health Nurse Requires the Director of the State Department of Public Health to appoint one of the chief deputies as the State Public Health Nurse, to act as a liaison to public health nursing agencies in addition to other duties. Provides that the appointment of a Chief Deputy shall not displace any other Deputy Director currently serving in that position for the department, nor shall this appointment result in any costs other than those reflected in the existing staffing budget.	1/24/2008 • In SEN Appropriations Committee June 23.
CA AB 1646 DeSaulnier (D) SUPPORT – letter 2 YEAR BILL	Transaction and Use Taxes: Counties: Public Health Authorizes counties to impose a transaction and use tax for public health purposes if certain conditions are met. Makes legislative findings and declarations regarding local health departments.	1/17/2008 • In SEN Health Committee June 11. In SEN Revenue and Taxation Committee June 25.
CA AB 2140 Furutani (D) DEAD	Los Angeles County Health Initiative Renames and expands the responsibilities of the Los Angeles County Health Initiative to include the provision of technology to the governing body of the commission. Revises the basis on which the committee is required to meet. Requires that it shall be briefed regarding opportunities and challenges relating to health information technology.	Introduced 2/20/2008 • In ASM Health Committee.
CA AB 2425 Coto (D) SUPPORT	Public Health: Water Quality: Pharmaceuticals Requires every pharmaceutical manufacturer that does business with the state to enter into a public-private partnership with the State Department of Public Health to advance public knowledge about pharmaceuticals in public drinking water supplies. Requires the department to post links on its Internet Web site to other Web sites that have relevant educational information on the proper methods of handling and disposing of pharmaceuticals.	5/23/2008 • Passed ASM. To SEN.

CA AB 2765 Huffman (D) SUPPORT	Pest Eradication: Aerial use of Pesticide Requires the Secretary of Food and Agriculture or County Agricultural Commissioner, before the aerial application of a pesticide in an urban area, to conduct at least one public hearing to consider all alternatives to aerial application of a pesticide and to seek an assessment of human health risks and environmental risks from the Department of Pesticide Regulation including findings and recommendations regarding environmental and human risks of the proposed use of a pesticide by aerial application.	4/22/2008 • In SEN Environmental Quality Committee.
CA SB 1184 Kuehl (D) WATCH	Infectious Disease Reporting Relates to AIDS reporting. Requires each clinical laboratory to report all CD4 count test results to the local health officer. Requires the local health officer to report to the Department of Public Health if the test result is related to a case of HIV infection or AIDS.	5/6/2008 • In ASM Health Committee June 10.
CA SB 1358 Oropeza (D) DEAD	Public Health and the Environment Expresses the intent of the Legislature to enact legislation that would relate to public health and the environment.	Introduced 2/20/2008 • To SEN Rules Committee.
CA SB 1631 Ackerman (R) DEAD	Public Works: Environmental Complaints Provides that, for of a public works project that is to be performed on real property owned or leased by the state or a political subdivision, and person that files or threatens to file, or to fund, any environmental complaint or protest regarding any permit, map, or other entitlement related to the use or development of that land, where the purpose or objective is to obtain or extract money or other thing of value.	Introduced 2/22/2008 • Failed Passage in SEN Governmental Organization Committee. Returned to SEN. DEAD
FOOD SAFETY		
CA AB 97 Mendoza (D) OPPOSE UNLESS AMENDED - letter	Food Facilities: Trans Fat Requires every food facility, except a school cafeteria, to maintain on the label for any food or food additive that is or includes any fat, oil, or shortening, for as long as this food or food additive is stored, distributed, or served by, or used in the preparation of food within, the food facility. Prohibits, on or after a specified date, oil, shortening, or margarine containing specified trans fats for specified purposes, from being stored, distributed, or served by, or used in the preparation of food. Note: CAEHA recently changed its position from Support to Oppose Unless Amended based on a recent amendment that conflicts with CalCode by allowing local jurisdictions to adopt more stringent requirements re: trans fat than in AB 97.	5/8/2008 • On SEN Floor.
CA AB 1667 La Malfa (R) NEUTRAL 2 YEAR BILL	County Fairs: Carnivals Defines carnivals and carnival workers in relation to carnivals operating at county fairs.	Introduced 2/23/2007 • In SEN Consent Calendar.
CA AB 1773 Hayashi (D) SUPPORT IF AMENDED	Retail Food: Long-Term Health Care Facilities Requires the Director of the State Department of Public Health to review and to make a specified determination as to the equivalency of certain facility licensing surveys and regulatory requirements in ensuring the adequacy of food safety and dietary services, consistent with the food-borne illness prevention and public health intervention goals of the State Retail Food Code that are used by local enforcement agencies to survey retail food facilities, and the need for related recommendations.	5/6/2008 • In SEN Health Committee June 11.
CA AB 1846 Adams (R) NEUTRAL	Inedible Kitchen Grease Exempts from an additional fee for purposes of regulation on transporters of inedible kitchen grease, provided that they only transport inedible kitchen grease for their own personal, noncommercial use as an alternative fuel and that these individuals shall not sell, barter, or trade any inedible kitchen grease.	4/7/2008 • In SEN Environmental Quality Committee.
CA AB 2079 Emmerson (R)	Misbranded Food: Allergen Labeling Deems food to be misbranded if its labeling does not conform with requirements for allergen labeling set forth in the federal Food, Drug and Cosmetic Act.	3/24/2008 • In SEN Appropriations Committee June 23.

WATCH		
CA AB 2168 Jones (D) CRFSC SUPPORT W/ AMDTS	Farm Stands: Direct Marketing: Retail Food Authorizes the adoption of regulations to encourage direct sale by farmers to the public of all types of state agricultural products. Specifies the regulations may include provision to ensure that selling is conducted without fraud, deception, or misrepresentation. Requires the manufacturer of any lipstick subject to regulation by the federal Food and Drug Administration that is sold in this state to report this fact to the State Department of Public Health and provide evidence that the lipstick was tested and found to contain no more than an unavoidable trace of lead.	5/28/2008 • Passed SEN. To ASM.
CA SB 1713 Migden (D) WATCH *	Children's Products: Bisphenol Applies rules in existing law which require manufacturers to use the least toxic alternative when replacing phthalates in their products and prohibits them from replacing phthalates with certain carcinogens and reproductive toxicants to certain child care articles that contain bisphenol A in detectable levels.	5/6/2008 • In ASM Environmental Safety and Toxic Materials Committee.

LAND USE

CA AB 938 Calderon C (D) NEUTRAL YEAR BILL	2 Regional Water Management Authorizes a county or city to convene one or more watershed quality committees to develop and facilitate cooperation in achieving local water quality solutions. Requires a committee to use reasonable efforts to prepare and submit a watershed management plan that addresses major sources of stormwater, urban runoff, and nonpoint source pollution within the region. Requires a city or county that provides certain utilities to provide facilities for returning captured waters to receiving bodies.	7/3/2007 • In SEN Environmental Quality Committee June 16.
CA AB 1391 Brownley (D) SUPPORT 2 YEAR BILL	Electronic Waste Requires a retailer that sells an electronic device covered under the Electronic Waste Recycling Act to provide a customer at the point of sale of the covered electronic device with the California Integrated Waste Management Board's web site, which describes where and how to return, recycle, and dispose of a covered electronic device and locations for the collection or return of the device.	6/5/2008 • In SEN Appropriations Committee.
CA AB 2031 Hancock (D) WATCH	Oil Spill Prevention and Response Requires under the Administrator for Oil Spill Response to implement the State Oil Spill Contingency Plan and to carry out programs to provide for training for individuals in response, containment, and cleanup operations and equipment, equipment deployment, and the planning and management of oil spill containment programs. Requires the administrator to provide a program for training and certification of a local emergency responder. Requires the offering of grants to local government for oil spill equipment.	5/23/2008 • In SEN Natural Resources and Water Committee June 10.
CA AB 2032 Hancock (D) WATCH	Oil Spill Prevention and Response Relates to the Oil Spill Response Trust Fund. Revises the amount of funds in the fund that makes it necessary to impose a uniform oil spill response fee. Requires the collection of any fee by the State Board of Equalization necessary to carry out oil spill prevention and response purposes. Raises the upper limits of the fee. Authorizes the adjustment of the fee annually for inflation.	5/23/2008 • In SEN Environmental Quality Committee June 16. In SEN Revenue and Taxation Committee June 25.
CA AB 2144 Smyth (R) DEAD	Building Standards: Commercial Building: Green Building Requires the State Building Standards Commission to develop the Green Building Program as a model program for use by local jurisdictions interested in promoting voluntary green building standards for commercial buildings that are more stringent than those adopted by the commission.	4/1/2008 • Failed Passage in ASM Natural Resources Committee.
CA AB 2219 Parra (D) WATCH	Subdivisions: Water Supply Requires legislative body of a city or county or the designated advisory agency to approve or disapprove the subdividers water savings projections attributable to voluntary demand management measures after being reviewed by the retail water supplier. Requires a city or county that is evaluation the sufficiency of water supplies for a project. Reduces the anticipated water demand for the project based on the project applicant's voluntary water demand management measures. Requires a related report.	6/4/2008 • In SEN Environmental Quality Committee June 16.
CA AB 2270 Laird (D) WATCH	Recycled Water Refers to the statewide water recycling goals established under existing law which are based on consideration of all relevant information, including specified information from appropriate regional boards and urban water management plans as targets for the State Water Plan. Requires an urban water supplier to include in its water management plan information on recycled water. Authorizes a local agency that maintains a community sewer system to take action to control residential salinity inputs.	5/28/2008 • Passed ASM. To SEN.
CA AB 2275 Fuentes (D) WATCH	Vended Water Relates to quality and labeling standards for bottled water and vended water, including mineral water. Requires each applicant for a license as a water-bottling plant or a private water source to provide to the department specified information and would require the department to annually compile this information and make it available to the public.	6/4/2008 • In SEN Appropriations Committee June 23.
CA AB 2356 Arambula (D) CHECK WITH LAND	Wastewater Collection, Treatment: Small Communities Requires the State Water Resources Control Board to take certain actions for the purpose of allocating funds on behalf of a wastewater collection, treatment, or disposal project, if the financial assistance recipient is a small, disadvantaged community. Includes allocating to the recipient up to a specified percentage of the financial assistance amount, not exceeding a specified amount, in advance of actual expenditures	4/8/2008 • In SEN Environmental Quality Committee.

USE COMMITTEE	establishing an expedited payment amount.	
CA AB 2441 Lieber (D) WATCH	Oil Spill Prevention: Regulations: Tugboat Escorts Amends the Lempert-Keene-Seastrand Oil Spill Prevention and Response Act. Requires the adoption of regulations governing tugboat escorts for vessels carrying hazardous materials, as cargo in bulk quantities, that are entering, leaving, or navigating in the harbors of the state.	5/23/2008 • In SEN Natural Resources and Water Committee.
CA AB 2547 Leno (D)	Oil Spill Prevention and Response Revises the definition of dedicated response resources under the Lempert-Keene Seastrand Oil Spill Prevention and Response Act to provide that, for the port areas of San Francisco, Los Angeles, Long Beach and San Diego, dedicated response resources shall additionally mean equipment and personnel permanently located in each of those areas. Includes as additional elements in rating oil spill response organization for compliance with specified criteria, the dedicated response resources controls.	5/23/2008 • Passed ASM. To SEN.
CA AB 2723 De La Torre (D) DEAD	Safe Drinking Water, Water Quality and Supply Provides that funds from the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 may be expended for grants to any city, county, city and county, and special district that provides for the delivery of potable and recycled water for the planning and development of dual water piping to allow for the delivery of potable and recycled water for nonpotable purposes for commercial, industrial, and residential buildings construction.	4/21/2008 • Held in ASM Appropriations Committee.
CA AB 2915 Nunez (D) SUPPORT ?	Safe Drinking Water, Water Quality and Supply Bond Act Establishes a governing council consisting of the Secretary for Environmental Protection, the Director of the Office of Planning and Research, and the Secretary of the Business, Transportation and Housing Agency, and requires the council to coordinate the state's policies and funding priorities for bond funds appropriated for urban greening projects to reduce energy consumption, conserve water, improve air and water quality and provide other community benefits.	Introduced 2/22/2008 • In SEN Local Government Committee June 18.
CA AB 2935 Huffman (D) SUPPORT	Oil Spill Prevention and Response Requires the environmentally and ecologically sensitive element of the State Toxic Spill Contingency Plan to include the identification and prioritization of sensitive areas, a plan for protective actions, the location of emergency response equipment and personnel, and a program for testing strategies in such areas. Requires information on a certain Internet Web site and a related database. Requires the closure of certain waters to the taking of all fish and shellfish. Requires contamination determinations.	5/23/2008 • Passed ASM. To SEN.
CA AB 2965 Krekorian (D) DEAD	School Facilities: Water Toxicity Assessment Requires a school district to conduct a one-time assessment of water toxicity levels in schools with plumbing that has not been updated since a certain year. Provides for testing protocols. Authorize a school district, if the assessment reveals the presence of lead, copper, or trihalomethanes to compete for funding from the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 for purposes of mitigating the contamination.	4/22/2008 • Held in ASM Appropriations Committee.
CA AB 2986 Leno (D) CHECK WITH LAND USE COMMITTEE	Waste Discharge Requirements Requires the Water Resources Control Board and each regional board to post on their web sites copies of specified water quality documents, to issue annually a letter grade for each sanitary sewer system and treatment plant, and to establish a list of all treatment plants for which it makes certain findings relating to wet weather peak flows. Requires the board to impose fees to owners of specified systems. Specifies that projects to install flow meters to reduce stormwater inflow are eligible for funding.	5/23/2008 • Passed ASM. To SEN.
CA SB 1056 Migden (D) WATCH	Oil Spill Prevention and Response Requires the Office of Emergency Services, if an oil spill has occurred within the jurisdiction of the San Francisco Bay Conservation and Development Commission, to notify the counties of Alameda, Contra Costa, Marin, Napa, San Mateo, Santa Clara, Solano, and Sonoma, and the City and County of San Francisco. Requires that, for spills within the jurisdiction of the San Francisco Bay Conservation and Development Commission, the standards set for response at the scene of the oil spill shall not exceed 2 hours.	5/23/2008 • In ASM Natural Resources Committee.
CA SB 1102 Machado (D)	California Bay-Delta Authority Act Repeals the Delta Authority Act which establishes the Bay Delta Authority in the Resources Agency to carry out programs, projects and activities necessary to implement	4/7/2008 • In ASM Appropriations Committee.

WATCH	the Bay-Delta Program. Requires the Secretary of the Resources Agency to administer all contracts, grants, leases, and agreements made or entered by the authority under the act and assume from the authority all of the administrative rights, abilities, obligations, and duties of the authority.	
CA SB 1106 Cedillo (D) WATCH	Local Planning Makes conforming changes to the Planning and Zoning Law which require the housing element of the general plan of a city, county or city and county to contain, among other things, an assessment of housing needs, including an inventory of land suitable for residential development.	3/24/2008 • In ASM Local Government Committee June 18.
CA SB 1152 Aanestad (R) DEAD	Water Quality Relates to the Porter-Cologne Water Quality Control Act, a statewide program for the control of the quality of all the waters in the state. Makes a technical, nonsubstantive change to the legislative findings and declarations.	Introduced 2/6/2008 • To SEN Rules Committee.
CA SB 1153 Aanestad (R) DEAD	Water Quality Violation Makes technical, nonsubstantive changes to existing law that requires the State Water Resources Control Board and the regional water quality control boards to prescribe waste discharge requirements in accordance with the federal Clean Water Act and the Porter-Cologne Water Quality Control Act and to impose a mandatory minimum penalty for each serious waste discharge violation or for certain other described violations if those violations occur 4 or more times in any period of 6 consecutive months.	Introduced 2/6/2008 • To SEN Rules Committee.
CA SB 1258 Lowenthal (D) CHECK WITH LAND USE	Building Standards: Graywater Requires Department of Housing and Community Development, at next triennial building standards rulemaking cycle, to adopt and submit to the State Building Standards Commission for construction, installation and alteration of graywater systems for indoor use. Authorizes local agencies to adopt after a public hearing and enactment of an ordinance, building standards that prohibit entirely are more restrictive on the use of graywater or standards that are more restrictive than the state building code.	5/29/2008 • In ASM Environmental Safety and Toxic Materials Committee June 10.
CA SB 1334 Calderon R (D) WATCH/OPPOSE	Drinking Water: Pipes and Fittings: Lead Content Amends existing law that requires the State Department of Public Health to develop building standards to implement provisions of existing law relating to water pipes and pipe fittings, and requires these standards to be enforced by the appropriate state and local building and health officials. Requires that plumbing material be certified for compliance with provisions by an independent 3rd party if existing law relates to lead content.	4/16/2008 • In ASM Environmental Safety and Toxic Materials Committee June 10.
CA SB 1395 Corbett (D) WATCH/SUPPORT	Lead Plumbing: Monitoring And Compliance Testing Establishes lead plumbing monitoring and compliance testing as a part of the Department of Toxic Substances Controls program to reduce toxic substances from the environment. Requires the department to annually select no more than 75 drinking water faucets or other drinking water plumbing fittings and fixtures for testing and evaluation, including the locations from which to select the faucets, fittings, and fixtures, to determine compliance with specified lead plumbing standards.	5/6/2008 • In ASM Environmental Safety and Toxic Materials Committee June 10.
CA SCA 12 Torlakson (D) SUPPORT - letter	Local Government: Property-Related Fees Proposes an amendment to the Constitution to exclude fees and charges for stormwater and urban runoff management from the 2/3 voter approval of the voters residing in the area affected by the fee or charge requirements for the imposition or increase of a property-related fee or charge.	6/18/2007 • On SEN Floor.
SOLID WASTE		

CA AB 218 Saldana (D) SUPPORT	Hazardous Waste: Electronic Waste Prohibits a producer from manufacturing for sale in the state electronic equipment that contains a hazardous substance for which the ROHS Directive would prohibit in the European Union. Requires the producer to prepare and submit technical documentation showing the equipment sold or offered for sale is not prohibited for sale by the directive. Provides an exemption if there is no technically feasible alternative to the use of those hazardous substances or components and there is a plan for proper disposal.	5/6/2008 • In SEN Appropriations Committee June 23.
CA AB 501 Swanson (D) SUPPORT W/ AMDTS 2 YEAR BILL	Pharmaceutical Devices Requires a pharmaceutical manufacturer whose product is administered for home use through a prefilled syringe, prefilled pen, or other prefilled injection device to arrange to provide, upon a request from a consumer, a postage prepaid, mail-back sharps container that has been approved by the United States Postal Service and the Department of Public Health or a sharps container for the safe storage and transport of sharps to a sharps consolidation location that accepts home-generated sharps waste.	5/6/2008 • In SEN Health Committee June 11.
CA AB 822 Levine (D) SUPPORT	Solid Waste: Multifamily Dwellings Requires the owner of a multifamily dwelling to arrange for recycling services that are appropriate for the multifamily dwelling, consistent with state or local laws or requirements, including a local ordinance or agreement, applicable to the collection, handling, or recycling of solid waste.	1/7/2008 • To SEN Environmental Quality Committee.
CA AB 1075 Cook (R) WATCH	Solid Waste Diversion Relates to the Integrated Waste Management Act that defines the term compost. Provides for the definition of the term composting operation or composting facility as an operation or facility that produces compost including an entity that produces compost either aerobically or nonaerobically and an operation or facility that utilizes anaerobic digestion. Revises the definition of transformation to exclude anaerobic digestion. Defines anaerobic digestion.	5/14/2008 • In SEN Appropriations Committee June 23.
CA AB 1391 Brownley (D) SUPPORT 2 YEAR BILL	Electronic Waste Requires a retailer that sells an electronic device covered under the Electronic Waste Recycling Act to provide a customer at the point of sale of the covered electronic device with the California Integrated Waste Management Board's web site, which describes where and how to return, recycle, and dispose of a covered electronic device and locations for the collection or return of the device.	6/5/2008 • In SEN Appropriations Committee.
CA AB 1931 Silva (R) SUPPORT	Peace Officer Powers: Illegal Dumping Enforcement Amends existing law that grants the powers of arrest, after successfully completing a course in the exercise of those powers to illegal dumping officers that are regularly employed by a city, county, or city and county, whose duties include illegal dumping enforcement and are designated by local ordinance as a public officer. Includes a person employed full-time, part-time or as a volunteer after completing training prescribed by law, by one of those entities.	4/10/2008 • In SEN Public Safety Committee June 10.
CA AB 1972 DeSaulnier (D)	Solid Waste: Plastic Containers Relates to existing law that prohibits a person from selling a plastic bag that is labeled as compostable or biodegradable unless the bag meets a current American Society for Testing and Materials (ASTM) standard specification for the term used on the label. Changes this exemption to the prohibition to require the bag to meet ASTM Standard Specification for Compostable Plastics D6400.	3/24/2008 • In SEN Environmental Quality Committee June 16.
CA AB 2042 Fuentes (D) SUPPORT	Vehicles: Removal Authorizes a peace officer to remove and impound a vehicle when issuing a citation to a person acting as a dealer, remanufacturer, manufacturer, or transporter, or as a manufacturer branch, distributor, or distributor branch without a valid license or temporary permit from the Department of Motor Vehicles.	3/28/2008 • In SEN Transportation and Housing Committee June 10.
CA AB 2058 Levine (D) SUPPORT	Recycling: Plastic Carryout Bags: Paper Bags Prohibits a store from providing plastic carryout bags to customers unless the store demonstrates an increased recycling diversion rate in the number of plastic carryout bags provided by the store. Authorizes a store to sell a plastic carryout bag to a customer at a cost specified as a specified rate. Requires a store that is not complying to provide a plastic carryout bag to a customer. Requires paper bag fee for recycling programs. Requires a store that charges the bag fee to pay a specified fee.	5/23/2008 • In SEN Environmental Quality Committee.
CA AB 2071	Plastic Bags: Enforcement Prohibits the sale of a plastic bag that is labeled with the term compostable,	Introduced 2/19/2008 • In SEN Judiciary Committee June 24.

Karnette (D)	biodegrading, degradable or implies that the bag will break down in a landfill composting, marine, or other natural terrestrial environment, unless, at the time of the sale, the plastic bag meets specified standards for the term used on the label. Authorizes a city, county or the state to impose civil liability, in for violations of the above provision.	
CA AB 2245 Soto (D) NEUTRAL	Illegal Dumping Enforcement Officers Amends existing law that certain public officers, like animal control officers, are not prohibited from carrying any wooden club or baton if the officers have satisfactory completed a specified course of instruction in the carrying and use of the club or baton. Applies this provision to illegal dumping enforcement officers.	Introduced 2/20/2008 • In SEN Public Safety Committee June 17.
CA AB 2347 Ruskin (D) SUPPORT	Mercury-Added Thermostats: Collection Program Enacts the Mercury Thermostat Collection Act. Requires a manufacturer that owns or owned the name brand of Mercury-added thermostats sold in this state, to establish and maintain a collection and recycling program for out-of-service thermostats. Requires a wholesaler to act as collection site. Requires a retailer or wholesaler that distributes new thermostats by mail to include a Web site address and toll-free telephone number with instructions to obtain a prepaid mail-in label with the new thermostat.	4/3/2008 • In SEN Environmental Quality Committee June 16.
CA AB 2415 Fuentes (D) DEAD	Solid Waste: Permit Amends the California Integrated Waste Management Act of 1989 that requires a person who proposes to operate a solid waste facility to file with the enforcement agency or the California Integrated Waste Management Board. Requires the board, in the case where the proposed or existing solid waste is located in multiple jurisdictions to obtain the approval of the designated and certified enforcement agency of each of the jurisdictions.	Introduced 2/21/2008 • In ASM Natural Resources Committee.
CA AB 2640 Huffman (D) CHECK W/ COMMITTEE	Solid Waste: Compostable Organics Management Requires the source reduction and recycling element of integrated waste management plans to divert a portion of all solid waste from disposal through source reduction, recycling, and composting activities. Requires an annual recommendation for allocation of funds. Requires that a solid waste disposal facility operator must pay a fee for waste disposal and requires that these funds be used for grants for compostable organics management projects. Provides for accountability.	5/23/2008 • Passed ASM. To SEN.
CA AB 2679 RUSKIN (D) SUPPORT W/ AMDTS	Solid Waste: Enforcement: Local Agencies Amends the Integrated Waste Management Act. Authorizes the State Integrated Waste Management Board to take any enforcement action that a local enforcement agency may take under the act. Authorizes a local agency to include the prevention of the illegal disposal of solid waste and its abatement to make the public aware regarding such disposal; prohibits the disposing or accepting of solid waste except at a permitted facility. Revises the provisions for imposition of related civil and criminal penalties.	6/5/2008 • In SEN Environmental Quality Committee June 16.
CA AB 2695 Niello (R) SUPPORT	Enforcement: Illegal Dumping Defines illegal dumping and illegal dump. Provides that this act does not limit the power of local entities. Allows a local enforcement agency to include the inspection of illegal dumping activities in its inspection program. Establishes a grant and loan program for local, regional, and statewide illegal dumping enforcement. Requires adoption of a model local ordinance for the permitting of refuse hauler services and requires the ordinance to include standards for the inspection of hauling vehicles.	4/22/2008 • Passed ASM. To SEN.
CA AB 2829 Davis (D) DEAD/MERGED INTO AB 2058	Recycling: Plastic Carryout Bags Requires each plastic carryout bag provided by a store to have printed on the bag an environmental awareness message. Requires customers to pay a carryout bag impact fee. Creates a fund for the fees for litter prevention and cleanup. Deletes the prohibition on a city, county, or other public agency from imposing a plastic carryout bag fee upon a store.	4/7/2008 • Failed Passage in ASM Natural Resources Committee; Reconsideration Granted.
CA AB 2866 De Leon (D) SUPPORT	Solid Waste: Solid Waste Disposal Fees Amends Integrated Waste Management Act that requires an operator of a solid waste disposal facility to pay a fee based on solid waste disposal. Provides that the fees will fund demonstration projects of hybrid hydraulic and electric propulsion recycling and garbage trucks, diversion of compostable organics from landfills and to be deposited in the State Solid Waste Closure Trust Subaccount. Provides that an operator of a disposal site who does abide by a closure plan is liable for costs. Relates to fees.	5/23/2008 • Passed ASM. To SEN.
CA AB 2999	Animal Carcasses: Removal From Highways Authorizes the state or local agency having jurisdiction of a highway to remove an	Introduced 2/22/2008 • In SEN

Huffman (D) SUPPORT	accidental take from the highway. Requires the department to establish certain procedures for the removal and disposal of animal carcasses on state highways.	Transportation and Housing Committee June 10.
CA AB 3025 Lieber (D) SUPPORT	Polystyrene Packaging Prohibits a wholesale or manufacturer from selling or offering for sale, expanded polystyrene loose fill packaging in this state, unless it is comprised of a specified amount of recycled material as provided in a schedule that would increase the percentage until a specified date, when the amount would be required to be 100% recycled material.	5/22/2008 • In SEN Environmental Quality Committee.
CA SB 1016 Wiggins (D) SUPPORT	Diversion: Annual Reports Authorizes the Integrated Waste Management Board, if it determines that a city or county has diverted more than 50% of solid waste from landfill disposal through source reduction, recycling, and composting activities, to submit once every 2 years the information required in a specified report. Provides that, for a city or county submitting the report every 2 years, they must return to annual submission if they fail to divert 50% of the solid waste, or if the board rescinds the authorization.	4/10/2007 • To ASM Natural Resources Committee.
CA SB 1020 Padilla (D) CHECK W/ AUTHOR AND COMMITTEE	Solid Waste: Diversion Requires the State Integrated Waste Management Board to adopt policies and incentives to ensure that, on or before a specified date, 60% of all solid waste generated in the state is source reduced, recycled, or composted and to ensure that, on or before a specified date, 75% of all solid waste generated is source reduced, recycled, or composted.	6/26/2007 • In ASM Appropriations Committee.
CA SB 1663 Denham (R) SUPPORT	Used and Waste Tires: Grants Requires the tire recycling program established by the Integrated Waste Management Board under the Tire Recycling Act to include the awarding of grants to cities, counties, and other local government and nonprofit entities to provide assistance to owners of farm property used for specified agricultural activities. Require the grants to be expended only for the purposes of facilitating compliance with requirements regarding transportation of used and waste tires and the removal of illegally disposed tires.	4/21/2008 • In SEN Natural Resources Committee June 9.
