Greetings all: As you are all no doubt painfully aware, we have a HUGE slate of very important propositions on this November ballot in addition to the Governor and other elections. Here is list of all qualified measures: <http://www.sos.ca.gov/elections/ballot-measures/qualified-ballot-measures.htm>

In preparation of a discussion on these propositions, I am providing some links to information on Prop 21 (Parks); Prop 23 (Roll-back of AB 32); and Prop 26 (2/3 vote requirement for certain fees). The CCDEH membership will be asked to take a position on these - and others if you wish - propositions. They will be on the Executive Committee agenda on Tuesday next week and will be discussed at the Friday morning session.

Any additional information or analyses by your jurisdictions will be welcomed

Thanks all
